“ My Grandmother will be greatly missed. She was kind to everyone and loved unconditionally. She was a devoted Catholic and proud Polish American. I always prayed to be just like her. She was always there for me growing up, I'll always remember her waiting for me after school with a cookie and kiss ready. I will miss you Grandma, thanks for everything. You were perfect in my eyes.

“ Mrs Prusakowski, You brought a wonderful woman into the world that I have always regarded as my best friend over many years. I thank you for that and also because of that she has had two beautiful daughters and a wonderful husband. Over the years I was blessed to be part of their family and yours through births, communions, weddings and just wonderful memories. You have done well here and that family is our legacy. Rest in peace now. You are back with your Archie and walk with the Lord
